

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 2739 – HB 2883

February 9, 2010

SUMMARY OF BILL: Prohibits installation of traffic surveillance cameras until cameras have been installed in all school zones.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – The increase in local government expenditures would be dependent upon whether cameras are purchased by the city or leased from the vendor. Local expenditures are estimated to increase at least \$10,000,000 for installing cameras in school zones. Local revenue would increase in an amount dependent on the number of citations issued and fines paid.

Assumption:

- This legislation is permissive to the extent that local governments may continue to use traffic surveillance cameras but may not install new cameras until cameras are installed in all school zones.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
